Public Speaking

The Council welcomes and encourages public attendance at meetings. All agendas have a Public Speaking slot at the start of a meeting where members of the public can ask questions or make statements.

Where questions relate to agenda items the Chair may use their discretion to bring forward that agenda item, or invite the public speaker to speak when the agenda is discussed. However, generally public speaking is limited to the start of the agenda item and not during the discussion by members.

Checklist

This “checklist” appears on council and committee agendas as a reminder of implications to be considered when decisions are made:

What powers will the Council be using when carrying out this decision?

Does the decision have implications for:

Crime and Disorder?

The promotion of racial equality and elimination of discrimination?

Disability discrimination?

Health and Safety – will a risk assessment be needed?

Employment legislation?

Data Protection?

Is Planning Permission needed?
